

Saxton B. Little Library Annual Giving

Help the Saxton B. Little Library Grow!

The Library goes above and beyond basic services thanks to generous donations from you.

This year, we are hoping to raise an additional **\$8,000** to help brighten and update our main entrance lobby.

We are working with Ted Esselstyn, the artist who created the wonderful forest theme in the children's area, to bring the lobby to life!

Please consider an additional donation to help us make this happen.

The Library is a 501(c)(3) non-profit organization, so your donation is tax-deductible. 100% of your donation directly supports the library and our mission.

Thank you.
